

ARGUMENT IN FAVOR OF MEASURE N

Vote **YES** on N to SaveSantee.com

Vote **YES** to gain the right to **oppose** intense development of Santee that adds to **excessive traffic gridlock** and does not comply with our General Plan.

Do you want the right to vote on changes to our General Plan that can increase traffic and erode Santee's family-friendly atmosphere - development which increases the intensity and density of land use?

If you want the right to vote on land use changes to our General Plan, vote **YES** on the Santee General Plan Protection Initiative.

How would the Santee General Plan Protection Initiative protect Santee's family-friendly atmosphere?

The City Council has repeatedly supported developer-driven changes to our General Plan allowing increased densities and intensification of land use at public expense.

Increasingly frustrated Santee drivers experience the results of these repeated and controversial intensification decisions.

TRUST PEOPLE NOT 3 POLITICIANS!

Voting YES on the Santee General Plan Protection Initiative ensures that voters in **OUR COMMUNITY WILL HAVE THE FINAL SAY** on unpopular decisions made by the City Council to change our General Plan land use law.

YES on Measure N, the Santee General Plan Protection Initiative:

- **Ensures that no City Council, now or in the future, can take away your right to vote on land use changes to our General Plan that permit dense development of our city.**
- **Sends a message to developers to bring only those projects to our city which will enhance and be compatible with the character of our community as guided by our General Plan.**
- **Removes undue pressures brought on our Council by developers to densify our community.**

YES to SaveSantee.com

Join with Councilman Stephen Houlahan and thousands of your neighbors who petitioned to put this protection initiative on the ballot. Vote **YES** on N to protect Santee.
